### Interview Summary

Applicants respectfully submit this interview summary, for the interview conducted on January 4, 2007.

Applicants wish to thank Examiner Aaron Richer for allowing us the opportunity to interview for this case. We greatly appreciate his accommodations and willingness to work with us.

In the interview, no agreement was reached as to allowance of the claims. Applicant's representative, Patrick C. R. Holmes, submitted comments to the effect that the translation of addresses by a translation lookaside buffer did not amount to a "page fault" as that term is used in the Kaiser reference (cited against the present application) or in the present application. Therefore, Applicant submitted that the Kaiser reference does not teach or suggest the limitations of various claims in the present application. Favorable reconsideration was respectfully requested.

*Docket No. TD-155*

Conclusion

Thus, all grounds of rejection and/or objection are traversed or accommodated, and favorable reconsideration and allowance are respectfully requested. The Examiner is requested to telephone the undersigned attorney or Robert Groover for an interview to resolve any remaining issues.
